

Losing It

If you're frustrated by your toddler's behavior, you're not alone. But if you feel like wringing your child's neck more than once a week, this program is for you. We will discuss strategies for managing these difficult years, focusing specifically on temper tantrums, aggressive behavior, bedtime battles and toilet training. Parents will learn how to set limits while creating a loving, nurturing environment. Most importantly, the next time your child loses it, you won't

Dr. Caren Glassman, a native of Montgomery County, is a board certified pediatrician and fellow of the American Academy of Pediatrics currently practicing in Rockville. She graduated from The George Washington University School of Medicine and completed her internship and residency in pediatrics at Georgetown University Hospital. She remains actively involved in medical education as a clinical instructor of pediatrics at GWU.
